

Community Support Application Process

If you are seeking a raffle item, door prize, giveaway or auction item, or similar charitable donation please contact us via email: cadams@hsvbg.org

All Requests are Carefully Considered

We receive numerous requests for community contributions and charitable donations every week—we do our best to give each request careful consideration. Please allow a minimum of two weeks for your request to be processed. Due to the volume of requests received, only those organizations receiving a contribution will be contacted.

Requests must be made by email—telephone requests will not be accepted. Please do not send multiple requests; we will contact you if we require further information.

How To Make A Request

For us to evaluate your request, we need the following information:

- Your organization's name
- Complete contact information, including a mailing address
- A description of your organization, including objectives
- The purpose of the contribution and the name of the organization the contribution is supporting
- The expected audience reach
- The date of the event
- What type of contribution you seek
- How the contribution will be both promoted and recognized
