HUNTSVILLE BOTANICAL GARDEN

Photography Annual Pass Application

A Photography Annual Pass at Huntsville Botanical Garden is for professional photographers who wish to have unlimited photo shoots in public, outdoor spaces of the Garden for one year commencing on the date of application and fee payment.

- Photo shoots are limited to a three-hour session for up to four subjects plus the photographer. Additional subjects within that allotted session must purchase regular Garden admission.
- Photo shoots must take place during regular Garden hours.
- Drone photography and videography may only be added to this annual pass by FAA Part 107 licensed drone pilots. Drone application, insurance, and license must be provided.

Choose one of the options below:

☐ **Annual Fee: $500 (No drone use)** ☐ **Annual Fee: $650 (includes drone photo/video)**
