FOR IMMEDIATE RELEASE

Huntsville Botanical Garden Announces Fall Plant Sale Sept. 25–26

Annual fundraising sale features perennials, native plants, trees, shrubs and new HBG Signature Plants propagated from the Garden's collections

HUNTSVILLE, Ala. (September 8, 2026) – Fall is planting season, and Huntsville Botanical Garden is helping gardeners make the most of it with the annual Fall Plant Sale, Sept. 25–26. The fundraising sale will offer a diverse selection of plants for North Alabama gardens while supporting the Garden and its mission.

Garden members receive first access during Member Day on Friday, Sept. 25, from 8 a.m. to 6:30 p.m. The sale opens to the public Saturday, Sept. 26, from 8 a.m. to 4 p.m.

Shoppers can browse a variety of perennials, native plants, trees, shrubs, herbs and pollinator-friendly plants, offering options for gardeners looking to add seasonal interest, support wildlife, expand their landscapes or try something new.

New this year, the Fall Plant Sale will feature HBG Signature Plants, a special selection propagated directly from plants growing in Huntsville Botanical Garden's own collections. Grown from seeds, cuttings or divisions, these plants give shoppers an opportunity to take home a true piece of the Garden and grow it in their own landscapes.

The Fall Plant Sale also offers an opportunity to learn from the Garden's horticulture expertise while selecting plants suited to a variety of garden spaces and needs.

Proceeds from the sale support Huntsville Botanical Garden, making every purchase an investment in the Garden and its work to connect people with plants and nature.
